

STANDARD COLORS

All Excel colors are applied using a baked polyester powder coat process.

These are our standard production colors. Other colors may be available at additional charge and may extend production lead times. Please contact your Excel representative for details.

VISTA GREEN
GV

Standard finish for Excel frames is Vista Green.

ULTRA ORANGE
OU

Standard finish for Excel beams and painted accessories is Ultra Orange. Safety bars, frame spacers and shelf supports are galvanized.

LIGHT GRAY
GL

Frames, beams and painted accessories can be finished in Light Gray or Excel Blue upon request.

EXCEL BLUE
BE

Colors have been reproduced here as closely as possible within the confines of the printing process. Actual coating on components may vary from these examples in color and gloss.
